Welcome to our 72<sup>nd</sup> sale, which is an online auction only, comprising 1,323 lots featuring a wide range of Australasian and All-World material.

There are good representations of all the Australian Colonies. New South Wales features a fine lot of Diadem issues, including covers, as well as good later issues including imperforate errors, and good ranges of the various 10/- and 20/- printings. There are useful Perkins, Bacon issues from South Australia, Tasmania and Western Australia. From Victoria there is a good range of higher value Stamp Duty issues, rare postage dues, and an excellent selection of postal stationery, including a number of scarce items.

Australian Commonwealth includes useful ranges of Kangaroo and George V issues, and other pre-decimal issues, with a good range of presentation die proofs. There is an excellent selection of Decimal errors, with missing colours, imperforates and other varieties. A very extensive selection of postage dues includes a number of rarities and a range of U.P.U. specimens with receiving handstamps, as well as a number of rare and unusual covers. The postal stationery has large groups of envelopes, registration envelopes and lettercards, but is highlighted by the wrappers which includes many of the stamped-to-order rarities.

The overseas section includes collections of North Borneo and Labuan postage dues, featuring most of the rare overprint errors, and highlighted by an example of the famous Labuan 8c inverted frame. There is useful New Guinea and Papua, and a good selection of New Zealand. St. Vincent has a very fine range of the lovely Perkins, Bacon issues, largely in fine mint condition. A collection of the first QEII definitive issues, all unmounted, have been offered individually.
