Best regards from

The Team at Millennium Philatelic Auctions.

Welcome to our 86th sale, which is an online auction only, comprising 1,482 lots featuring a wide range of Australian material. There are 147 lots of Australian Colonies, with an excellent range of Moreton Bay District postmarks and covers, and an exceptional Victorian 2d Half-length 6th Printing with retouch unused.

Australian Commonwealth has a wide range of Kangaroo issues includes many fine stamps, with shades, inverted watermarks and OS punctures, and there is a 1d unwatermarked colour trial in green. The 1913-14 Engraved Issues include some fine 6d Kookaburras, including plate numbers. Over 600 lots King George V issues cover all watermarks and values with a wide array of monogram and imprint pieces. The 1d Reds include a State 3 die proof in black and a number of scarce plate varieties.

The Postage Due issues include the rare monocolour high values both mint and used, and the bicoloured issues abound in the very scarce monogram and imprint pieces. A wide range of postal stationery begins with the artist's essay for the 1911 1d George V Fullface design, and all issues of the pictorial lettercards are well-represented both by individual rarities and groups. A large collection of Australian formular and permit aerogrammes has been suitably lotted.

Amongst the postal history are a number of lots representing research in to the Sydney Royal Easter Show, and there are a number of large collections of Postage Meters detailing various aspects of their usage, most of which would be virtually impossible to duplicate today.
